In re: Application No. 2321 for Right of Way for County Road in Grant County	O R D E R July 15, 1958

It appearing to the Commissioner of Public Lands at this time that Application No. 2321 was filed in this office by the Board of County Commissioners of Grant County for an easement for a right of way for county road over the E½ SE¼, Section 20, Township 17 North, Range 28 East, W.M., in Grant County; that said application was filed in accordance with the Law of 1927 which provides for the granting of rights of way over state lands; and

It further appearing that there is no merchantable timber on the area included within the right of way, and that no good reason exists why this right of way should not be granted; and the Commissioner being fully advised, it is therefore

ORDERED and DETERMINED that the plat showing the survey of said right of way as filed with said application be and the same is hereby approved as the official plat of said road and that an easement be and the same is hereby granted to Grant County for county road over and across the following described land:

> The east 50 feet of the E½ SE¼, Section 20, Township 17 North, Range 28 East, W.M., containing an area of 3.02 acres as shown on the plat thereof on file in the office of the Commissioner of Public Lands at Olympia, Washington.
>
> Subject, however, to an easement for a right of way for a transmission line granted to the Washington Water Power Company December 2, 1925 under Application No. 12331.

Dated this 15th day of July, A. D., 1958.
