Subject: FW: WFAC written update request

Below is a report of Mobilization:

Estimated costs remain unchanged, we are nearing completion of career payments (will be at 95% by the time WFAC meets), and following up on payments needing more documentation.

While we are preparing for the 2021 fire season, Mobilization is supporting IMT's managing COVID vaccination sites in 5 locations (Colville, Yakima, Kennewick, Wenatchee, and Olympia).
