

Teanaway Community Forest Advisory Committee – Roster

Updated 4/10/2023

RCW 90.38.130 does not provide clear guidelines surrounding term limits for service on the Teanaway Community Forest Advisory Committee. The committee shall consult with DNR’s Office of Equity and Environmental Justice in the coming months to assess the needs for term limits.

Board Composition

Per RCW 90.38.130 –

(b) The department of natural resources, in consultation with the department of fish and wildlife, must establish the Teanaway community forest advisory committee that includes representatives from the department of ecology, the local community, land conservation organizations, the Yakama Nation, the Kittitas county commission, and local agricultural interests.

See the [Teanaway Community Forest Management Plan](#) for more information.
