*The Survey Advisory Board’s charter requires five-year terms. Terms are in place to ensure new voices are regularly brought in, however, per RCW 58.24.020, appointing authority remains at the pleasure of the Commissioner.

Ex officio members of the board shall include the Survey Manager; the Manager of the Public Land Survey Office, who shall function as the Board administrator; and a professional association liaison, appointed by and representing the Land Surveyor’s Association of Washington (LSAW), who will act as the specific liaison between the Board and the Association.
