

Thea Foss Waterway Harbor Line Relocation Request

September 3, 2019

Harbor Line Commission

- Board of Natural Resources also serves as the state Harbor Line Commission
- Article XV of the State Constitution: grants Harbor Line Commission Authority to Establish, Reserve and Relocate Harbor Lines

Harbor Areas

Harbor Line Relocation Request

- Foss Waterway Development Authority
- Foss Landing Marina LLC
- Foss Harbor Marina LLC

Request the Harbor Line Commission to consider relocation of portions of the outer harbor line to provide additional harbor area space to bring into compliance existing boats moored beyond the outer harbor line.

Harbor Line Relocation Request

- Relocate 20 feet waterward the outer harbor line, specifically, the existing outer harbor line along its north to south axis on the western side of Thea Foss Waterway; and
- Relocate 10 feet waterward the outer harbor line along its north to south axis on the eastern side of Thea Foss Waterway

Thea Foss Waterway, Tacoma, WA, USA
