

# Washington State Forest Regulation COOPERATIVE MONITORING, EVALUATION, and RESEARCH COMMITTEE (CMER)

## MEMORANDUM

**February 27, 2024**

**To:** Timber Fish and Wildlife Policy Committee (TFW Policy)

**From:** Cooperative Monitoring, Evaluation, and Research Committee (CMER)

**Subject:** Roads Prescription-Scale Effectiveness Monitoring Project Budget Increase Request

The purpose of this memo is for CMER to communicate a relevant passed motion to TFW Policy from the February 27, 2024, CMER Meeting regarding the Roads Prescription-Scale Effectiveness Monitoring Project's (Roads Project) request for additional funding in FY24-25.

Motion passed in the February 27, 2024, CMER meeting:

CMER approve the request for additional funds to continue the Road Prescription-Scale [Effectiveness Monitoring] Project as proposed by the project team with the addition of alternative budget scenarios with the associated implications for meeting project timeline deliverables, but prioritizing maintaining critical field components of the ongoing main experiment.
