

DETERMINATION OF NONSIGNIFICANCE

Description of Proposal: Forest Practices Application # **2707632** for conversion harvest within in Klickitat County, Washington.

The proposed project is an even aged harvest of approximately 2,949 mbf of merchantable timber on an approximately 156.67 acre parcel, which will convert approximately 113.75 acres to non-forestry use. The purpose is to facilitate potential future home site development. The proposal also includes approximately 9,804 feet of road construction.

Proponent: Chilton Inc.

Location of proposal, including street address, if any:

The parcel proposed for conversion is located in Klickitat County, Township 03N, Range 11E, Section 10, on tax parcel number 03111000000200.

Lead agency: Washington Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

There is no comment period for this DNS

This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from April 4, 2024. Comments must be submitted by April 18, 2024.
