FINAL NOTES

1. Introductions

Everyone knew each other.

2. Agenda

Jeff Thomas provided an agenda prior to the meeting: 1) Introductions, 2) Agenda review, 3) CRPMP Guidance Documents, and 4) Wrap-up.

3. Announcement

David announced that the Yakama Nation Executive Board of the General Council and three members of the TFW Committee of the Tribal Council plan to attend the Roundtable meeting September 18, 2012, hosted by the Yakama Nation. The Executive Board of the Tribal Council and the Tribal Council are all elected officials of the Yakama Nation Tribal Government.

4. CRPMP Guidance Documents

The most recent package of guidance documents is dated 1-16-12 with edits by Pete. Sherri sent it out to everyone August 21, 2012. The sections are numbered 1 through 8.

1) "What is a cultural resource". Some minor edits were suggested to not use the word "definitions" and add some language in the appendix X which provides more detailed information. dAVe offered to draft some language about each Tribe having its own understanding of what cultural resources are.

2) "General Information about Cultural Resources and Your Forest Practices" needs more editing. Gretchen took notes on the discussion and will draft edits.

3) "Types of Sites commonly found in the forest" is done. It is the video of Lee Stilson giving a presentation to Quinault Tribal personnel. It may be combined with number 1).

**Timber/Fish/Wildlife Cultural Resources Roundtable Special Meeting
September 12, 2012**

- 4) “Landowner-Tribal meeting – What to expect under WAC 222-20-120” has four subsections. It is mostly done but everyone should review the language.
- 5) “Completing a Successful Site Protection Plan” is already on the DAHP web page. It is done.
- 6) “Completing Question #13 of the SEPA checklist” is on the DAHP web page. It is done.
- 7) “What to do if you find Human Remains” is on the DAHP web page. It is done.
- 8) “Tribal Contact List” needs more work and a report from DNR regulatory about their efforts to contact Tribes for the appropriate person(s) to contact.

Pete said based on the results of the Roundtable survey about the effectiveness of the CRPMP it is apparent that their needs to be a 9) “Landowner contact list”. He will work on that list.

Everyone should review the Forest Practices information on the DAHP web page. Rearranging the order was discussed for a better flow of information but that will be addressed at the October meeting. Gretchen will draft an appendix Z to define all the acronyms used. Everyone should review Appendix Y and give Pete feedback. Sherri will draft an introductory statement expressing the goals of the CRPMP and the opportunity to discover what cultural resources are present prior to planning a management activity. Lee provided his document on “Working with Historic Maps to Identify Cultural Resources in Washington State”. It is in the Action Item List and may have a place in the Guidance documents too. All of the new work on the Guidance documents should be circulated by October 9th so they can be discussed at the October 16th meeting.
