

Washington Wildland Fire Summit Vision Beyond 2020

Wednesday, January 31, 2018 | South Sound Manor, 455 North St SE, Tumwater, WA | 1:00 – 5:00 PM

Objectives

- Convene leaders, partners, and stakeholders in wildland fire prevention, response, and community resilience to launch a comprehensive review of wildland fire in Washington.
- Facilitate development of a common vision of Washington wildland fire and outcomes across land ownerships.
- Learn about participants' perspectives and vision regarding wildfire, including prevention, safe and effective response, resilient landscapes, and fire-adapted communities.
- Generate energy and interest in the Wildland Fire Protection Strategic Plan as the first step in improving wildland fire outcomes in Washington.
