Application for Use of State-owned Aquatic Lands

Applicant Name: Pierce County Surface Water Management
County: Pierce County
Water Body: Puyallup River- South Fork
Type of Authorization - Use: Right-of-Entry – Engineered log jam placement and in-water work related to side channel construction.
Authorization Number: 23-XXXXX (TBD)
Term: 5 years
Description: This agreement will allow the use of State-owned aquatic lands for the sole purpose of access and construction of a side channel on private property, placement of an engineered log jam. It is located in Puyallup River, in Pierce County, Washington.

Contractors will create a side channel to the South Fork of the Puyallup River, tying into the main stem at river mile 18.4 and 17.9. One of the engineered log jams will encroach spatially onto State owned aquatic lands by approximately fourteen (14) feet. For more information contact Wynnae Wright at (206) 909-1304.

Application available upon request.
