Firewood Permit Klickitat District

The Washington Department of Natural Resources will not be liable to the user of this product for any activity involving the product with regard to fire history, fire profiles, cost savings or any other consequential damage (s). The use of the product is at the user's own risk. Use of the product by persons determined by the Department to have a willful disregard for the fire restrictions or notices of the Washington Department of Natural Resources will result in the revocation of the license or permit to purchase firewood and the potential for prosecution for misconduct. This is a map and does not take precedence over current fire restrictions. The map is intended for use by a person making a fire reduction project.
