Partnerships & Volunteer Coordination

Partnerships & Volunteer Coordination

Objective A: Encourage new volunteer and partnership opportunities.

Objective B: Pursue partnering opportunities for recreation, service, education, and restoration projects with adjacent public agencies, counties, municipalities, schools, nearby landowners, user groups, and youth groups.

Objective C: Pursue partnerships that enhance safety and support education and enforcement efforts.

Education & Enforcement

Education & Enforcement

Objective A: Secure resources that will increase education and enforcement presence at sanctioned and unsanctioned sites.

Objective B: Increase the availability of educational information about The Recreation Planning Area.

Objective C: Increase public awareness of DNR's vision, trust mandate, and the multiple-use concept, while providing sustainable recreational opportunities.

Objective D: Enhance emergency access to the developed areas of The Recreation Planning Area.

Resource Restoration

Resource Restoration

Objective A: Identify areas with resource damage due to past unsanctioned recreational use.

Objective B: Secure active participation of recreation communities in restoration efforts.

Objective C: Ongoing protection of restored areas.

Objective D: Communicate with and educate the public on restoration activities.
