 Douglas-fir - Western Hemlock / Oceanspray /
 Swordfern
 High-Salinity Lagoon
 Red Fescue - Great Camas - Oregon Gumweed
 Sandy, High-Salinity, Low Marsh

Hat Island NRCA DNR

Animals
 One priority 2 animal species

Ecological Communities
 Douglas-fir / Salal - Oceanspray
 Roemer's Fescue - Field Chickweed - Prairie
 Junegrass

Plants
 One priority 1 plant species

Hope Island NAP SPK

Ecological Communities
 Douglas-fir - Pacific Madrone / Salal
 Douglas-fir - Western Hemlock / Salal
 Douglas-fir - Western Hemlock / Salal /
 Swordfern
 Roemer's Fescue - Field Chickweed - Prairie
 Junegrass

Ellsworth Woods RNA DOD

Ecological Communities
 Douglas-fir / Beaked Hazel / Swordfern
 Roemer's Fescue - White-topped Aster

Iceberg Point ACEC BLM

Ecological Communities
 Douglas-fir - (Grand Fir, Western Red-cedar) /
 Dwarf Oregon-grape - Salal

Plants
 One priority 3 plant species

Foulweather Bluff Preserve TNC

Ecological Communities
 Coastal Spit with Native Vegetation
 Low-Salinity Lagoon
 Transition Zone Wetland

Plants
 One priority 2 plant species
 One priority 3 plant species

Goose and Deadman Islands Preserve TNC

Animals
 nesting seabird colony

Ink Blot NAP DNR

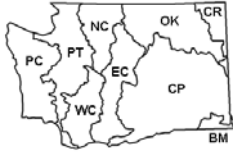

Ecological Communities
 Low Elevation Freshwater Wetland
 Low Elevation Sphagnum Bog

Graveyard Spit RNA USFWS

Animals
 Two priority 1 animal species

Kennedy Creek NAP DNR

Ecological Communities
 Moderate-Salinity High Marsh

Priority Species and Ecological Communities in Natural Areas

Puget Trough Ecoregion

Killebrew Lake NAP DFW

Ecological Communities

Low Elevation Sphagnum Bog

Plants

One priority 1 plant species

Two priority 2 plant species

Animals

One priority 2 animal species

Ecological Communities

Douglas-fir - Pacific Madrone / Hairy Honeysuckle

Douglas-fir - Western Hemlock / Salal

Douglas-fir / Baldhip Rose - Oceanspray

Douglas-fir / Baldhip Rose - Oceanspray

Kings Lake Bog NAP DNR

Animals

One priority 1 animal species

One priority 3 animal species

Ecological Communities

Low Elevation Permanent Pond

Low Elevation Sphagnum Bog

Kitsap Forest NAP / Stavis Creek NRCA DNR

Ecological Communities

Douglas-fir - Western Hemlock / Evergreen Huckleberry

Douglas-fir - Western Hemlock / Pacific Rhododendron - Evergreen Huckleberry

Western Hemlock / Swordfern

Lake Hancock Preserve TNC

Ecological Communities

Low Elevation Freshwater Wetland

Low Elevation Sphagnum Bog

Lake Louise NRCA DNR

Ecological Communities

Low Elevation Freshwater Wetland

Lummi Island NRCA / NAP DNR, DFW

Mount Pickett NAP SPK

Ecological Communities

Douglas-fir - Western Hemlock / Cutleaf Foamflower

Douglas-fir - Western Hemlock / Dwarf Oregongrape

Douglas-fir - Western Hemlock / Oceanspray / Swordfern

Douglas-fir / Baldhip Rose - Oceanspray

Lodgepole Pine Forest

Roemer's Fescue - Field Chickweed - Prairie Junegrass

Nisqually Delta RNA USFWS

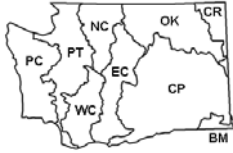

Ecological Communities

Black Cottonwood - Bigleaf Maple

Estuarine Mud Flat

Freshwater Tidal Surge Plain Wetland

Low-Salinity High Marsh

Priority Species and Ecological Communities in Natural Areas

Puget Trough Ecoregion

Ecological Communities

- Moderate-Salinity High Marsh
- Muddy Channel / Slough

Plants

- One priority 1 plant species
- One priority 3 plant species

Nisqually Floodplain RNA DOD

Ecological Communities

- Backwater Area
- Black Cottonwood - Bigleaf Maple

Sentinel Island Preserve TNC

Ecological Communities

- Douglas-fir / Common Snowberry - Oceanspray

Oak Patch NAP DNR

Ecological Communities

- Oregon White Oak / Common Snowberry / Long-stolon Sedge

Shumocher Creek NAP DNR

Ecological Communities

- Forested Sphagnum Bog
- Low Elevation Freshwater Wetland

Point Colville ACEC BLM

Ecological Communities

- Douglas-fir - Pacific Madrone / Hairy Honeysuckle
- Douglas-fir / Salal - Oceanspray
- Red Fescue - Great Camas - Oregon Gumweed
- Shore Pine - Douglas-fir / Salal

Skookum Inlet NAP DNR

Ecological Communities

- Low-Salinity High Marsh
- Moderate-Salinity High Marsh

Plants

- One priority 2 plant species

Thirteenth Division Prairie RNA DOD

Animals

- Two priority 1 animal species
- Two priority 2 animal species

Point Doughty NAP DNR

Ecological Communities

- Douglas-fir - Pacific Madrone / Salal
- Douglas-fir / Salal - Oceanspray

Ecological Communities

- Black Cottonwood - Oregon Ash
- Oregon White Oak - (Oregon Ash) / Common Snowberry
- Roemer's Fescue - White-topped Aster

Plants

- Two priority 3 plant species

Rocky Prairie NAP DNR

Animals

- Two priority 1 animal species
- Two priority 2 animal species
- Two priority 3 animal species

Waldron Island Preserve TNC

Animals

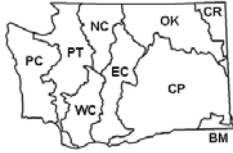

- One priority 2 animal species
- Two priority 3 animal species

Ecological Communities

- Roemer's Fescue - White-topped Aster

Ecological Communities

- Douglas-fir - Oregon White Oak / Common Snowberry

Puget Trough Ecoregion

Ecological Communities

Red Fescue - Great Camas - Oregon Gumweed

Washougal Oaks NAP / NRCA DNR

Ecological Communities

Oregon White Oak / Oval-leaf Viburnum -
Poison-Oak

Weir Prairie RNA DOD
