Please carefully guard these materials. They may not be photocopied, traced onto other maps, shared or displayed at public meetings. They should be kept in a secured location and destroyed when no longer needed. Land owner contact information, priority habitat and species locations, and non-game Heritage database info are sensitive data that DNR must protect.

Disclaimer: Extreme care was used during the compilation of this map to ensure accuracy. However, due to changes in ownership and the need to rely on outside information, the Department of Natural Resources cannot accept responsibility for errors or omissions, and, therefore, there are no warranties which accompany this material.
