DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Road Use Permit No. 50-103811. Proposal includes the construction of 180 feet of road including the right-of-way harvest of 3 MBF of timber, and the use of 880 feet of existing road on State land, to haul approximately 193 MBF of timber from 12 acres of private lands. Forest Practices Application No. 2818590 has been submitted for Road Use Permit project approval.

Proponent: Mid-Valley Resources, Inc.

Location of proposal, including street address, if any: Portions of Section 22 of Township 33 North, Range 7 East, W.M., in Skagit County. Proposal is located approximately 12 miles northeast of Arlington, off of SR 530, North Brooks Creek Road and the BR-ML forest road.

Lead agency: Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
