DETERMINATION OF NONSIGNIFICANCE

Description of proposal: The Washington State Department of Natural Resources (DNR) plans to issue a special use lease to allow for the construction of two potato storage buildings. This proposal consists of building one double wide arch wall metal potato storage building roughly 165' x 275' with an estimated potato capacity of about 12,000 tons. A second building of the same size is planned in the future.

Proponent: The Washington State Department of Natural Resources

Location of proposal, including street address, if any: The North 540 feet of the West 628 feet of the Northwest quarter of the Northwest quarter of Section of Section 36, Township 10 North, Range 29 East, W.M., Franklin County, Washington, containing 8 acres, more or less.

Lead agency: Washington Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
