DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Forest Practice Application #2421848, South Paw: This proposal is for approximately 58.7 acres of even-aged harvest with an estimated 1,350 MBF\(^1\) of timber and 587 tons of biomass being removed utilizing ground based harvesting methods. Forest Practices rule-identified unstable landforms are located adjacent to and within the proposed project area.

Proponent: Snoqualmie Timber, LLC
c/o Campbell Global
34627 SE Swenson Drive #200
Snoqualmie, WA 98067

Location of proposal, including street address, if any: This project is located in King County on portions of Section 9 and 10, Township 26 North, Range 08 East W.M.

Lead agency: The Department of Natural Resources, South Puget Sound Region

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
