DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Peachy Timber Sale #30-097373 and associated Forest Practice Application No. 2422904; more than 120 acres considered for harvest was reduced to 78 net acres consisting of two variable retention harvest units, removing approximately 2,727 MBF of merchantable timber. Road work associated with this proposal consists of 46,002 feet of required pre-haul maintenance, 1,348 feet of optional construction, and 825 feet of required abandonment, if constructed.

Proponent: Department of Natural Resources, State Lands

Location of proposal, including street address, if any:
This proposal is located in Sections 21, 28, 29, and 31 of Township 14 North, Range 06 East W.M. This proposal is located approximately 12 miles by road Southeast of Mineral off Mineral Creek Road, within Lewis County. See the associated Forest Practices Application and driving map.

Lead agency: Department of Natural Resources, State Lands

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
