

VESSEL TURN IN PROGRAM (VTIP) APPLICATION

Can you afford to dispose of your vessel on your own? We put together the following table to show average disposal costs based on the vessel size to help you decide. Costs are generally lower if you have a trailer to take the vessel to the dump yourself. If you think you can afford the disposal we are happy to help you figure out how to do it.

Vessel length (feet)	Number of vessels turned in	Average cost
15 to 20	19	\$200 to \$900
21 to 25	14	\$950 to \$2,500
26 to 30	16	\$1,500 to \$3,500
31 to 35	9	\$3,000 to \$5,000
36 to 40	3	\$4,500 to \$8,500
41 to 45	5	\$8,000 to \$13,000

If you can't afford to dispose of your vessel, please consider donating to keep the Vessel Turn-In Program running.

Affidavit of Insufficient Resources

I, _____ (print name), of _____ (County), Washington, being first duly sworn on oath, depose and say: I do not have sufficient financial resources to properly dispose of my vessel, _____ / _____ (vessel name) and _____ (registration number)

Other / Specify here: _____

Vessel Length Overall: _____ (ft.) (Must be 45 ft. or less)

Vessel Width: _____ (ft.)

Vessel Draft: _____ (ft.)

Vessel Height: _____ (ft.)

Vessel Weight: _____ (lbs.)

VESSEL TURN IN PROGRAM (VTIP) APPLICATION

VESSEL INFORMATION (cont'd)	<u>YES</u>	<u>NO</u>	<u>UNKNOWN</u>
-----------------------------	------------	-----------	----------------

Are there any potentially hazardous materials onboard? (e.g., fuel, oil, household waste, gas cans, batteries, paint, solvents, asbestos, etc.)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If YES, what is it and how much? _____			

Are you able to remove these materials prior to disposal?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--	--------------------------	--------------------------	--------------------------

* If you need help finding a Hazo-House location to dispose of your hazardous materials, you can go to the Department of Ecology website at: http://www.ecy.wa.gov/programs/swfa/mrw/mrw_contacts.html

Was your vessel originally built for commercial or military use?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
---	--------------------------	--------------------------	--------------------------

Are you able to trailer or tow the boat to a drop-off facility?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--	--------------------------	--------------------------	--------------------------

Is the vessel in the water and floating?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
---	--------------------------	--------------------------	--------------------------

Does the vessel have a mast?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
-------------------------------------	--------------------------	--------------------------	--------------------------

Does the vessel have a fixed keel?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
---	--------------------------	--------------------------	--------------------------

Does the vessel have an engine?	<input type="checkbox"/> Inboard	<input type="checkbox"/> Outboard	<input type="checkbox"/> None
--	----------------------------------	-----------------------------------	-------------------------------

PHOTOS REQUIRED: Please provide current photos of the inside and outside of your boat after all debris has been removed.

Condition of the vessel

- Dismal** (vessel hull compromised, subject to water infiltration, would sink quickly if left unattended)
- Poor** (vessel doesn't operate as built, sailboat without mast, power boat without engine)
- Fair** (vessel still has most of its major parts but is run down and functionally obsolete)
- Good** (vessel still operates as intended, in seaworthy condition = **not eligible**)

I declare that, to the best of my knowledge and belief, the information contained in this application is true, correct, and complete. I understand that the Washington State Department of Natural Resources (DNR) or its designee may verify that the information provided in this application, including the Affidavit of Insufficient Resources, is true and correct. If DNR finds my statement in the Affidavit of Insufficient Resources to be false, I agree to reimburse DNR for all reasonable and auditable costs incurred for the removal and disposal of my vessel. These costs include, but are not limited to, costs incurred in storing, stripping, using, auctioning, selling, salvaging, scrapping, or disposing of the vessel, removal and disposal costs, all administrative costs incurred by DNR associated with the vessel, and costs associated with environmental damages directly or indirectly caused by the vessel. I understand that DNR may also pursue any additional remedies allowed by law.
