Draft Subject to Change - July 2015

Arrearage Subcommittee

Steps From RCW 79.10.330 Description Status Determine if there is an Step 1 Completed arrearage. Arrearage of 438 MMBF Step 2 Conduct an economic and In Progress environmental analysis of options providing for the greatest return to the trusts. Step 3 Board determines a course of Post Subcommittee action. Recommendations

Board of Natural Resources Update SUBCOMMITTEE ANALYSIS REQUESTS AND QUESTIONS

Arrearage Subcommittee Analysis Requests and Questions

- Provide additional research on the history of arrearage and what the board has done at the end of previous planning decades.
- Determine the planning horizon the industry uses for log supplies, both short and long-term.
- Provide additional research on the best times to sell an arrearage if such sale is determined to be in the best interest of the trusts.
- Provide additional analysis on the economic factors of an arrearage.
- Provide additional analysis on the impacts to the department and future harvests if the arrearage was sold.
