MEMORANDUM

March 17, 2025

TO: Cooperative Monitoring, Evaluation, and Research Committee (CMER)

FROM: Lori Clark, Adaptive Management Program Administrator (AMPA)
lori.clark@dnr.wa.gov | 360-819-3712

SUBJECT: CMER Voting Members Expertise

The Forest Practices Board (Board) requested that the AMPA work with CMER to identify each member's scientific expertise. The Board tasked CMER with advancing the science needed to support the Adaptive Management Program (AMP). As such, the WAC maintains that CMER will be made up of members that have expertise in "a scientific discipline that will enable them to be most effective in addressing **forestry, fish, wildlife, and landscape process issues**. Members will represent timber landowners, environmental interests, state agencies, county governments, federal agencies and tribal governments from a scientific standpoint, *not a policy view*." Please add your expertise (via the drop-down menu) to the SharePoint online [2025 CMER Voting Member Roster](#).
