CATALOG OF RESEARCH AND MONITORING

INVESTIGATIONS OF SPECIES POPULATIONS

June 2008
Investigations of Riparian Species Populations

**Federal Agencies**

**National Park Service, Olympic National Park**

**Distribution of Fish Populations in Olympic National Park**

**NOAA Fisheries, Northwest Fisheries Science Center**

**Status Reviews of Selected Salmon Populations**

Structure in Selected Trout Mating Systems

NOAA Fisheries, Technical Recovery Team

Lake Ozette Sockeye Populations

Pacific Fishery Management Council

Queets Coho Stock Assessments

Review of Ocean Salmon Fisheries

US Fish and Wildlife Service, Pacific Region

Misc. Salmon Population Assessments

US Geological Survey, Forest and Range Ecosystem Science Center

Amphibian Surveys in Olympic National Park

State Agencies

Washington State Department of Fish and Wildlife

Assessments of Steelhead Populations

Genetic Characterization of Lake Ozette Sockeye

Salmonid Stock Inventory (SaSI)

Surveying Headwater Stream Amphibians

Genetic Diversity and Gene Flow of Amphibians

Movement Patterns of Salmonids

**Tribal Governments**

**Hoh Indian Tribe**

Hoh River Index Stream Spawner Surveys

Scarlett, W. On-going. Index stream spawner surveys in the Hoh River watershed. Hoh Indian Tribe. Personal communication.

**Lower Elwha Klallam Indian Tribe**

Clallam Index Stream Spawner Surveys

McHenry, M. On-going. Spawner surveys in streams of the Clallam River system. Lower Elwha Klallam Indian Tribe. Personal communication.

**Northwest Indian Fisheries Commission**

Misc. Salmon Stock Assessments

**Salmon Run Reconstructions**

Quileute Indian Tribe

Quileute Index Stream Spawner Surveys

Lien, R.. On-going. Spawner surveys in streams of the Quileute River system. Quileute Indian Tribe. Personal communication.

Non-Government Organizations

Wild Salmon Center

Historical Steelhead Abundance

Academic Institutions

University of Washington

Salmon Population Dynamics in Coastal Streams

Washington State University

Landscape Genetic Structure of Amphibian Species

Investigations of Spotted Owl Populations

Federal Agencies

**National Park Service, Olympic National Park**

**Spotted Owl Monitoring in Olympic National Park**

**US Forest Service, Pacific Northwest Experiment Stations**

**Northern Spotted Owl Demography**

**US Geological Survey, Forest and Range Ecosystem Science Center**

**Spotted Owl Monitoring in Olympic National Park**

State Agencies

Washington State Department of Natural Resources, Olympic Region

Surveys of Northern Spotted Owl

Investigations of Marbled Murrelet Populations

Federal Agencies

**US Forest Service, Pacific Northwest Experiment Stations**

**US Forest Service, Regional Ecosystem Office**

*Suras of Marbled Murrelets At Sea*

State Agencies

**Washington State Department of Fish and Wildlife**

*At-Sea Marbled Murrelet Surveys*

Independent Consultants

**ABR, Inc.**

*Radar Surveys of Marbled Murrelets*

Investigations of Other Species Populations

Federal Agencies

US Geological Survey, Forest and Range Ecosystem Science Center

Monitoring Activity Levels of Bats in Olympic National Park

Monitoring Breeding Land Birds in Olympic National Park

State Agencies

Washington State Department of Natural Resources, Asset Management and Protection Division

Inventory of Rare Plants in DNR Natural Areas

Tribal Governments

Northwest Indian Fisheries Commission

Big Game Harvest Reports

**Big Game Population Estimates**

**Private Timberlands**

*Rayonier*

**Surveys of Coastal Perigrine Falcon Populations**

**Academic Institutions**

*University of Washington*

**Status of Roosevelt Elk Populations**
