

Attention DNR Timber Purchasers

FEBRUARY 2025 TIMBER AUCTION UPDATE #1— 2/7/2025

[February 2025](#)

- **Rocket Launch SWT** Timber Sale in **South Puget Sound Region**: The state-owned Zig Zag pit is a shared pit by Rocket Launch SWT and the Ham Hock timber sales, which have overlapping contract period with Ham Hock timber sale expiring 10/31/2025. The Ham Hock timber sale is currently active and has created a large shot rock pile in the Zig Zag pit. The entirety of this existing pile will be utilized for the Ham Hock timber sale and is not available for rock specified in the Rocket Launch SWT Road Plan. The Ham Hock operations expect to crush and relocate this pile in March, but the exact timeframe is unknown.

[March 2025](#)

- Full packets are now available for sales approved at the Board of Natural Resources meeting on February 4. Shapefiles and geo-referenced pdf maps (GeoPDFs) for use with mobile mapping applications are now available for planned March auctions on our [external sharing site](#).
- **Nash** Timber Sale in **Pacific Cascade Region**: The Notice and Cruise has been updated. Effective 2/5/2025

[Early Timber Sale Previews](#)

- Preview packets for planned April 2025 sales are now available. Please note, auction month listed on the draft notice of sale may not be the final auction month.

[Current Contract Harvest Bid Opportunities](#)

- **Red Rehab Sorts** Timber Sale in **Northwest Region**: The Request for Quote is now available with bids due March 19, 2025.

All e-mail auction updates are listed on the right column of the webpage of the month's timber sales.
