

August 2020 DNR Auctions

Due to the ongoing Covid-19 response, all Department of Natural Resource timber auctions for August 2020 are closed to the public and will be held virtually using Skype. Please see [DNR March 2020 Auction Announcement #4](#) for additional details regarding bidding procedures.

To join a region auction to see bid results live, click the Join Skype Auction link for the desired region on or after 10 a.m. on the day of auction. Users accessing the auction by computer are able to join multiple auctions at the same time. A DNR representative may need to “admit” users to the meeting which may not be immediate with other actions taking place, please be patient. For tips about Skype meetings, please see this brief [Skype how to document](#). Trouble Joining? [Try Skype Web App](#)

If you would just like to listen or your computer/device cannot connect to the Skype auction, call the phone number listed and enter the conference ID when prompted (do not enter anything regarding meeting leader).
