[September 2020](#)

- Access to the [South Grass](#) sale in **South Puget Sound Region** has been disrupted. 8/17/2020
A portion of the 5400 Road at MP10 (sta. 528+88) was recently found to be washed out and currently prevents access to the South Grass Timber Sale. Temporary repair to allow for pick up access will occur soon, with full repair by DNR crews planned this fall.
Additionally, temporary road closures are periodically in place and associated active haul as DNR heavy equipment crew works on culvert installations on the haul route. Use CB channel 8 on Hancock ownership and channel 1 on DNR ownership. Contact Tyler Traweek (253) 350-4452 or Justin Gardner (253) 350-5928 for current road information.
