

Attention DNR Timber Purchasers

OCTOBER 2022 TIMBER AUCTION UPDATE #2 — 10/18/2022

[October 2022](#)

- The **[Q Barber Man](#)** in **Southeast Region** was updated to add tethered logging as a harvesting option, add clause S-035 to the draft contract, and to correct the project's ground/cable percentages. Effective 10/13/2022

[November 2022](#)

- The **[T3 C-1200](#)** sale in **Olympic Region** was updated to add the draft contract to the packet. Effective 10/11/2022
- The **[Sprinter](#)** sale in **South Puget Sound Region** was updated to add language to clause H-141 of the draft contract related to non-tradeable leave tree areas. Effective 10/13/2022
- An announcement for the **[Beehive](#)** sale in **Pacific Cascade Region**:
Out of an abundance of caution due to recent wildfire activity, we ask that folks stay out of the Beehive Timber Sale proposal area and the surrounding vicinity until crews can evaluate the situation. Fire and State lands personnel are busy with fire activity in the area. We will provide updates as they become available. Please contact Becky VonDracek (360-749-6825) for questions and/or concerns.

Note: it was brought to our attention that draft sale packets will load for people even though final packets have replaced them. This is a result of web browser cookies retaining the old document for quick loading. Regularly cleaning your web browser history can help if incorrect/outdated packets are loading.
