

WASHINGTON STATE DEPARTMENT OF
NATURAL RESOURCES

Attention DNR Timber Purchasers

DNR Auction Announcement – September 12, 2018

New Sustainable Forestry Initiative® Certification Number

DNR successfully completed our most recent SFI® audit. DNR remains SFI certified and there will be no interruption in our coverage or certificate. However, since DNR has a new audit contractor, DNR will have a new SFI certificate number effective September 16: PwC-SFIFM-513. Although they are currently being advertised with the previous SFI certification number, **the new SFI certification number will be listed on all sale documents beginning with timber sales to be sold in September 2018.**
