

## Links to 2011 Forest Health Aerial Survey Quad Maps

Each year, DNR works with the US Forest Service to perform a survey of insect and disease damage. The links below will take you to a high-resolution map of your area that shows the damage recorded in 2011. Pine bark beetle damage is shown in red, while western spruce budworm damage is shown in purple.

### Forest Health Aerial Survey Quad Maps for the Okanogan and Ferry County Forest Health Hazard Warning Area:
