Notes:

FCA Adjustment only applies to equipment hired at the Washington State Wage & Equipment Rates.

Heavy Equipment (All Equipment on Page 14-24) - is a daily rate and is applied to the equipment for every day it is under hire. The transport does not receive a FCA.

Water Equipment (Tenders and Engines) - The FCA is only applied to mileage while traveling to and from an incident.

Command Vehicles - Only applies to Fire-Line Command Vehicles and applies to all mileage.
