Volunteer Fire Assistance

2025 Phase I Grant Program

Introduction

The **Volunteer Fire Assistance (VFA)** program is funded through the US Department of Agriculture, Forest Service (USFS). The objective of the VFA program is to improve the capacity and capability of rural and volunteer fire protection districts that protect rural communities and play a substantial cooperative role in the suppression of wildland fires within or near federally managed lands. The Phase I grant program helps accomplish this by providing eligible Washington State Fire Districts/Fire Departments personal protective equipment (PPE) and other fire equipment at a 50% reduced cost through the Washington DNR Fire Cache.

To participate Districts/Departments must meet the eligibility requirements listed below. Eligible Districts/Departments may apply by submitting an order through the DNR “Phase I Order” shopping cart (see submittal directions below). **The maximum order amount allowed is \$3,300.00. Orders will be filled as they are received until funding is depleted.**

Order prices/totals in the “Phase I Order” shopping cart will reflect a 50% price reduction and already include state sales tax, this will be the cost to the District/Department. USDA VFA grant funds will be utilized to cover the remaining 50%. Districts/Departments may request to will-call pick up completed orders at the DNR Fire Cache in Tumwater, WA or have the order shipped. The cost of shipping is the Districts/Departments responsibility and will be added to the order total.

***Please note: Do not remit payment before receiving an invoice/statement via email or postal service. Prices are subject to change and shopping cart totals will **NOT** reflect any shipping costs. ***

Eligibility

Districts that meet the following requirements are eligible to apply for Phase I grants:

- Established Districts/Departments under the laws of the State of Washington or a Federally recognized Tribal entity.
- 70% volunteer firefighter membership or greater. As an example, for a Fire District with a total of 30 firefighters (counting career paid and volunteer), 21 must be volunteers, and
- Provide service to:
 - a rural area or a rural community with a population of 10,000 or less, or
 - a community with a population greater than 10,000 that includes service to a rural community of 10,000 or less (funding must be used to benefit the rural community)

Phase I Order Process

- Phase I orders will be accepted February 18th, 2025, through March 31st, 2025, or until funding is depleted, whichever occurs first. Orders submitted after 5:00 PM on March 31, 2025, will not be considered for funding. Districts are encouraged to submit orders as soon as possible once the grant period opens on February 18th, 2025.
- The maximum shopping cart order allowed is \$3,300. The shopping cart order total plus any applicable shipping (for orders not picked up at the DNR Fire Cache) is the responsibility of the District/Department.
- Orders are submitted through the “Phase I Order” online shopping cart available on the DNR [Fire District Assistance](#) webpage. The shopping cart requires Districts/Departments to create a new account **each year** prior to placing orders. After submitting an order through the shopping cart, Districts/Departments will receive an email confirming their order(s). This email confirmation is not a bill. **DNR will bill the District/Department separate of the email confirmation.**
- Information requested to “create an account” must be filled out completely and will be used in determining eligibility.

- A District/Department may submit multiple orders as long as the cumulative total of all orders does not exceed \$3,300. However, each order will be filled as it is received, independent of previous orders by the District/Department.

Award Notice & Order Delivery

- Email confirmation of your order serves as the notice of grant award. DNR reserves the right not to fund an order if it is determined that funding is no longer available, or that a District/Department does not meet eligibility requirements, or if the order by itself, or combined with previous orders from the same District/Department exceeds \$3,300.
- DNR will bill the District/Department separate of the email confirmation (i.e., email confirmation is not your bill).
- Orders are typically shipped within 2-4 weeks.
- Questions regarding the grant program and/or the award process should be directed to Dan Boyle (360-480-0490).
- Questions specific to the available equipment/PPE in the shopping cart and/or order status should be directed to the Washington DNR Fire Cache (360-586-0361/360-586-0362).
