## 1 INTRODUCTION AND SCHEDULE OF ACTIVITIES

### 1.1 PURPOSE

The Washington State Urban and Community Forestry Program works to educate citizens and decision-makers about the economic, environmental, psychological and aesthetic benefits of trees and to assist local governments, citizen groups and volunteers in planting and sustaining healthy trees and vegetation wherever people live and work in Washington State.

The mission of the Washington State Department of Natural Resources (DNR) Urban and Community Forestry Program (UCF) is to provide leadership and assistance to communities that are working to create self-sustaining urban and community forestry programs that preserve, plant and manage forests and trees for public benefits and quality of life.

  - d. **RETURN:** The Agency may return or set aside for pickup by the Contractor any nonconforming goods and terminate the contract for cause.
2. The Contractor shall be liable for all compensatory, incidental and consequential damages caused by any breach of the contract. FURTHERMORE, IN THE EVENT OF A TERMINATION OF THE CONTRACT, THE AGENCY'S TOTAL LIABILITY FOR ALL DAMAGES ARISING OUT OF OR RELATED TO THE CONTRACT SHALL NOT EXCEED THE PURCHASE PRICE OF GOODS DELIVERED OR SERVICES RENDERED PRIOR TO THE EFFECTIVE DATE OF THE TERMINATION.

**SAVINGS**

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the Agency may terminate the contract under the "Termination for Convenience" clause, without the ten-day notice requirement, subject to renegotiation at the Agency's discretion under those new funding limitations and conditions.

**SEVERABILITY**

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

**SUBCONTRACTING**

Neither the Contractor nor any Subcontractor shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the Agency. In no event shall the existence of the subcontract operate to release or reduce the liability of the Contractor to the Agency for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this contract.

Additionally, the Contractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. Contractor and its Subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the Agency or as provided by law.

**TAXES**

All payments accrued because of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

**TERMINATION FOR CAUSE**

In the event the Agency determines the Contractor has failed to comply with the conditions of this contract in a timely manner, the Agency has the right to suspend or terminate this contract. Before suspending or terminating the contract, the Agency shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

The Agency reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by the Agency to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of the Agency provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

### **TERMINATION FOR CONVENIENCE**

Except as otherwise provided in this contract, the Agency may, by 10 calendar days written notice, beginning on the second calendar day after the mailing, terminate this contract, in whole or in part. If this contract is so terminated, the Agency shall be liable only for payment required under the terms of this contract for goods delivered or services rendered prior to the effective date of termination.

### **TERMINATION PROCEDURES**

Upon termination of this contract, the Agency, in addition to any other rights provided in this contract, may require the Contractor to deliver to the Agency any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Agency shall pay to the Contractor the agreed upon price, if separately stated, for goods or services accepted by the Agency, and the amount agreed upon by the Contractor and the Agency for (i) goods delivered or services rendered for which no separate price is stated, (ii) partially completed goods delivered or services rendered, (iii) other goods delivered or services rendered that are accepted by the Agency, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Agent shall determine the extent of the liability of the Agency. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The Agency may withhold from any amounts due the Contractor such sum as the Agent determines to be necessary to protect the Agency against potential loss or liability.

The rights and remedies of the Agency provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the Agent, the Contractor shall:

1. Stop work under the contract on the date, and to the extent specified, in the notice;
2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
3. Assign to the Agency, in the manner, at the times, and to the extent directed by the Agent, all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case the Agency has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Agent to the extent Agent may require, which approval or ratification shall be final for all the purposes of this clause;
5. Transfer title to the Agency and deliver in the manner, at the times, and to the extent directed by the Agent any property which, if the contract had been completed, would have been required to be furnished to the Agency;
6. Complete performance of such part of the work as shall not have been terminated by the Agent; and
7. Take such action as may be necessary, or as the Agent may direct, for the protection and preservation of the property related to this contract, which is in the possession of the Contractor and in which the Agency has or may acquire an interest.

Title to all property furnished by the Contractor, for the cost of which the Contractor is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the Agency upon delivery of such property by the Contractor. Title to other property, the cost of which is reimbursable to the Contractor under this contract, shall pass to and vest in the Agency upon (i) issuance for use of such

property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the Agency in whole or in part, whichever first occurs.

2. Any property of the Agency furnished to the Contractor shall, unless otherwise provided herein or approved by the Agency, be used only for the performance of this contract.
3. The Contractor shall be responsible for any loss or damage to property of the Agency that results from the negligence of the Contractor or which results from the failure on the part of the Contractor to maintain and administer that property in accordance with sound management practices.
