# 2018 Small Community Forestry Assistance Grant

## Letter of Interest Instructions

The RFP for the 2018 Community Forestry Assistance Grants contains all of the requirements that applicants will be held to if and when their Letter of Interest is selected and they are asked to submit a full proposal. Applicants are encouraged to download and familiarize themselves with the RFP as it may help them to develop a stronger Letter of Interest.

**Fillable Form:** Applicants' Letters of Interest must be typed into this electronic document. Applicants must not alter any existing text, fonts, margins, or other formatting options.

**Other Attachments:** Applicants may attach supplemental letters of commitment, photos, maps, or other supporting documents to their application. Applicants may include up to three (3) supplemental attachments.

**Submittals:** Applicants may submit their proposal in hardcopy format by mail or in electronic format by email. Applicants submitting hardcopy proposals must submit **four (4) copies of** each proposal, wherein one copy must have an original signature and the three other copies may have photocopied signatures.

Hardcopy proposals must be sent to the Program Manager at the address listed on the cover page of this Letter of Interest Form. The envelope must be clearly marked to the attention of the Program Manager. Applicants should allow for normal mail delivery time to ensure timely delivery of their proposals.

Applicants submitting electronic proposals must email them to [urban\\_forestry@dnr.wa.gov](mailto:urban_forestry@dnr.wa.gov). Only one email per grant proposal will be accepted. **Emailed proposals must say: "LOI\_2018 [Applicant Name]" in the subject line** of the message. The DNR email server will not accept messages greater than 10 MB in size. Only Adobe PDF files will be accepted. The Letter of Interest and **up to three attached documents, such as letters of support, must use the following file naming convention: LOI\_2018\_[Applicant Name]\_[Suffix]**, wherein the "suffix" placeholder is used to distinguish among unique documents.

The proposal, whether mailed or sent electronically, must arrive at DNR no later than 4:00 p.m. Pacific Time, on the date specified on the cover page of this Proposal Form. The Applicant assumes the risk for whichever method of delivery they choose. DNR assumes no responsibility for problems or delays caused by electronic or ground-based delivery methods. Proposals that are submitted late or otherwise received after the deadline will be disqualified. All proposals and any accompanying documentation become the property of DNR and will not be returned.
